The applications were filed as a requirement for continued participation in the Nebraska Platte-Republican Resources Area Conservation Reserve Enhancement Program (CREP). The proposed location of use is downstream of the current points of diversion to where the Republican River crosses the Nebraska/Kansas state line and/or the above mentioned Republican River Basin Reservoirs. The proposed change is to be temporary for the term of the CREP contract, which will be for 10 to 15 years.

Under the provisions of Neb. Rev. Stat. \$ 46-294(1)(e) the quantity of water that is transferred to the new use may not exceed the historic consumptive use under the appropriation or portion thereof being transferred. The "Grant in CFS" described above is the total appropriation that is attached to the acres described above.

Procedures to respond to this notice may be obtained by contacting the Surface Water Permits section of the Department at (402) 471-2363 or through the Department's website at http://ddr.nebraska.gov/ opportunities-for-participation-in-the-permitting-process. Additional project information may be obtained by contacting the Department at the phone number indicated above.

Objections must be received by the Department by $5:00~\mathrm{p.m.}$ on January 12, 2017.

Dates of Notice December 14, December 21 and December 28, 2016.
